**Subject:** Merrie Jo - local gov't letters for offshore oil?

Jeremy,

I had hoped to give you a quick call, but I'm off to a 10:00 meeting. Through a mutual friend, I've let Merrie Jo Alcoke know that we may need her help as the Governor's Eastern Representative to communicate with local governments on sending offshore oil comments to Governor. I am booked up today and tomorrow with preparations for Energy Policy Council and the Atlantic Coast Pipeline public meetings, so may not be the best person to guide her through the Governor's communications network.
